

FREE CPD COURSES

February - March 2020

Great Yorkshire Showground, Harrogate

Every term we organise a calendar of **FREE** courses which are open to Primary School and Nursery staff.

These courses offer excellent **CPD** training all related to teaching in the **outdoors**.

Enjoy a fun, **hands-on** day whilst learning lots of **new skills** to take back to the class room.

Take a look at this term's courses from getting creative and using tools to discovering how to teach literacy in your grounds - there is something for all.

Feel **inspired** and confident to share your knowledge with your colleagues and get all classes benefiting from the school's natural environment.
